Notes: Fall semester Cohorts are defined by the IPEDS definition of First Time Full Time Students. Prior to 2008, undeclared was not an option and students who did not self declare a race/ethnicity were placed in a category using an algorithm. Beginning in June of 2009, KSU implemented a process for students to change their race/ethnicity. Race/Ethnicity is maintained by the student using the KSU Student Portal. Fall 2013 race/ethnicity by classification of undeclared was an outlier resulting from a unique coding schema. Percentages updated September 16th due to consolidated data issues.
